

Patient Name: _____ DOB: _____ Date: _____

Medical Examiner: _____ Treating Provider: _____

I am requesting your assistance regarding the below so that a DOT Examination can be completed for above patient:

1. Specific issue(s)

- Medication: _____
- Diagnosis: _____
- DOT Exam Finding or Testing Result: _____
- Specific result(s) needed: _____
- Specific Question: _____

2. Relevant information to consider

a. Medical Examiner comments/concerns/questions:

b. CMV driver job description (from CFR 49 391.41)

Social/Mental Factors	Physical Demands	Driving Demands
- Abrupt schedule changes and rotating work schedules - Irregular sleep patterns and beginning a trip in a fatigued condition - Long hours - Extended time away from family/friends, which may results in lack of social support - Tight pickup/delivery schedules, with irregularity in work, rest, and eating patterns - Adverse road, weather and traffic conditions, which may cause delays leading to hurriedly loading or unloading cargo in order to compensate for lost time - Environmental conditions such as excessive vibration, noise, and extremes in temperature - Transporting passengers or hazardous materials may add to demands on the commercial driver	- Coupling and uncoupling trailer(s) from the tractor - Loading and unloading trailer(s) - Lifting loads as much as 50,000 lbs. of freight after sitting for a long period of time without any stretching - Inspecting the operating condition of tractor and/or trailer(s) before, during, and after delivery of cargo - Lifting, installing, and removing heavy tire chains - Lifting heavy tarpaulins to cover open top trailers - The above tasks demand: agility, ability to bend and stoop, ability to maintain a crouching position to inspect the underside of the vehicle. frequent entering and exited of the cab, the ability to climb ladders on the tractor and/or trailer(s)	- Perceptual skills to monitor a sometimes complex driving situation - Judgement skills to make quick decisions, when necessary - Manipulative skills to control an oversized steering wheel, shift gears using a manual transmission, and maneuver a vehicle in crowded areas Please Note: the driving task might be the least demanding aspect of the job

Treating Provider - please complete based on specific above request(s)
 Medical condition(s)
 Any new diagnosis(es) based on above DOT Exam findings/results Yes No _____

 Diagnosis(es) for which you treat the patient: _____

a. Is the treatment plan being followed and been shown to be adequate, safe and stable?
